

A November to Remember

Guests enjoying the event on November 13th

November saw a number of inaugural events at The Arc at Market Street. To begin, on November 13th we held our Miracle at Market Street Open House. Guests for the evening were treated to a variety of delicious hors d'oeuvres and a special keynote address by David Brinkley, The Secretary of Budget and Management with the Governor's Office. This event was a great way to announce services at The Arc at Market Street and gain community exposure.

The fun at The Arc at Market Street didn't end there, as later that weekend, we hosted an event for families we support to come tour the building. We offered many families tours and provided many fun activities such as yoga and a photo booth!

Dancing the night away to Freddie Long!

Also in November, Freddie Long, a local Frederick musician performed a concert for individuals we support. We held the concert in the large program room at The Arc at Market Street. A fun time was had by all!

Photo booth fun!

Delicious Desserts!

The Arc at Market Street's inaugural events culminated in our Annual Awards Ceremony, which you can read about more on the following page.
