THE ENVIABLE LIVES CAMPAIGN: INVESTING TOWARDS THE FUTURE

The Arc of Frederick County is looking forward to partnering with you on our new endeavor. We are expanding our services to 555 South Market Street in Frederick in late 2014.

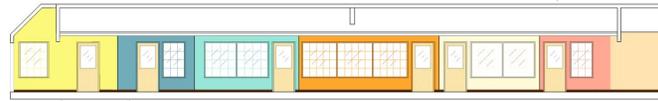

The Arc of Frederick County is renovating the space to creatively serve more people with developmental disabilities in our community.

Our Building Includes

- Program area for people with significant disabilities
- Gluten-Free Bakery
- Commercial Kitchen
- Shops and Micro Businesses operated either by people with disabilities or hiring people we serve
- Training and social areas for people we serve

New Gathering Space at The Arc at Market Street

Shops at Market Street

Why The Building Is Needed

The Arc will support people with significant disabilities by offering services during the day. This program will offer an engaging and active environment where people can work on learning skills and maintaining their health in addition to participating in activities in our community.

The Arc at Market Street will have a large gathering area to bring in the community. There are numerous activities that people we support want to learn about or participate in, but they often have trouble finding places that will accommodate their needs. With this space, there will be opportunities for performers, artists, and others to come and share with people we serve and the broader community. In addition, The Arc will have social events for people we support. Our hope is that this will help people with disabilities become more connected to the broader Frederick community.

The Arc of Frederick County is a 501(c)3 organization. Donations and information filed under the Maryland Charitable Organizations Solicitations Act may be obtained from the Maryland Secretary of State, State House, Annapolis, MD 21401. All donations are tax-deductible as allowed by law.

Pledge Card—tear and return
