

What is a Trivia Playoff?

The Trivia Playoff is a chance for Trivia enthusiasts and people who enjoy a good time to support The Arc of Frederick County. This occurs amid friendly competition where teams of three players compete at tables against two other teams. There are four initial rounds of play lasting 30 minutes each. Teams take turns answering questions from a variety of Trivia games. Players rotate tables and the team with the highest score from each round enters the playoff along with the four teams with the highest overall cumulative score. A program distributed at the event details specific procedures and rules.

Founded in 1958, The Arc was built on the belief that individuals and their families must be involved in the planning and design of the services they receive.
